PRIMARY

- KTC 45 · 80
- KT2
- Uni-Cutter

PARTS FOR YOUR PERFORMACE

A wide range of spare parts for tobacco machinery.

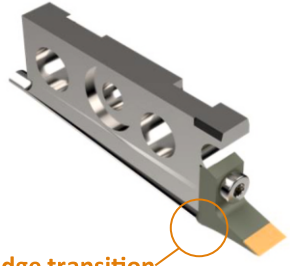
100,000+
Spare Parts & Assemblies

- Mechanical Parts
- Assemblies
- Electrical Components
- Standard Components

MORE THAN A SPARE PART

We don't just replace parts. We improve them.

OEM DESIGN



Edge transition
Creates flow disturbance

TMQS LINEAR DESIGN

One-piece transition
Ensures smooth material flow

YOUR CHALLENGE

Wear, short lifetime or recurring performance issues?

OUR ENGINEERING

We analyze the root cause and redesign the component where improvement is possible.

YOUR BENEFIT

- Longer lifetime
- Higher machine efficiency
- Improved product quality

ONE EXAMPLE. ENDLESS POSSIBILITIES.
The redesigned linear part shown here is just one example of how TMQS improves spare parts.

Experiencing recurring wear, quality issues or unnecessary downtime?
Let's develop the right solution together.

READY FOR PERFORMANCE.
COMPLETE ASSEMBLY GROUPS

Complete assemblies engineered for faster maintenance and maximum machine availability.

- Ready to install
- Reduced downtime
- Simplified procurement
- OEM-equivalent quality
- Fewer part numbers

GLOBAL SUPPLY REQUIRES GLOBAL EXPERTISE

- Worldwide shipping & logistics
- Complete export documentation
- Customs support
- International experience

YOUR SPARE PARTS.
ONE CLICK AWAY

Find the right part. Check availability. Order directly.

SMART SEARCH
Search by TMQS, Drawing or OEM number.

LIVE AVAILABILITY
Check current stock availability at a glance.
